

Treasurer Annual Report 2016

Diane Jablonski

This year we did a pilot program with Paypal as an option for people to register for the tea. We had 20 people use Paypal to register for the event. The names were forwarded as they were received to the tea coordinator. While Paypal takes a small percentage for each donation - 2.2% + \$.30 per transaction - so for every \$50 registration we received \$48.60. As treasurer, using PayPal significantly reduced the time and effort to deal with the checks. I know that some members appreciated that they could pay online and not have to mail a check. We will continue to evaluate the process and hope we will be able to expand usage to other AAUW events. Thanks to the committee who worked with me on evaluating this - Mary Lou Davis, Barbara VanItalie, Mary Ann Hogarty, and Mary Jo Cottrell. And as always, thanks to Margaret Nijhuis for getting the Paypal button on the website
